Help Us Pave a Lasting Impression and Let Us "Never Forget" 9/11

The South Fire District was presented with an opportunity to receive a piece of steel from the World Trade Center. We have formed a committee and have developed a Memorial to honor our fallen heroes of 9/11 and to "Never Forget" all the people who were affected by the events of September 11, including the citizens of Middletown, CT.

You, along with your family and friends, can become a part of history. Your purchase of a brick, etched with your family name or special message, will become a permanent part of this important Memorial. Please use the order form below in order to make your specialize purchase. We will gratefully accept your monetary tax deductible donations of any amount that will be put toward the project completion.
