### HEALTH & SAFETY COMMITTEE

#### Annual Meeting

February 14, 2025 at 9:00 a.m.

#### AGENDA

1. Call to Order
2. Roll Call
3. Accept/Amend Agenda
4. Introduction of Visitors
5. Acceptance of Minutes – November 20, 2024 Regular Meeting
6. Old Business (status of outstanding issues, i.e. hazardous condition complaints and recommendations generated from the previous meeting)
  - a) **Construction Fence** – Kathy Kiley informed the Committee the fence continues to be left open at the end of the day. She pointed out that anyone could walk in, trip and fall, and no one would know they were out there. She will also address the issue in the bi-weekly meeting with Milestone Construction and Landmark Architects. Deputy Chief Fischer stated he would speak to the project manager Greg Mastriano.
7. Hazardous Condition Complaints
8. Review of Accidents/Incidents, Illness, or Injuries; Discussion of Preventative Measures Taken
  - a) Four employees were performing EMS for a patient who used a homemade chemical to intentionally cause personal harm. *(This incident occurred on 9/14/2024 but was omitted from the 11/20/2024 meeting agenda.)*
  - b) During fire/rescue training, an employee was pulling a rescue mannequin which became entangled in a fire hose. The employee felt a pull, strain, and pain in his right shoulder and experienced numbness, pain, and tingling in his right arm and hand. *(This incident occurred on 9/5/2024 but was omitted from the 11/20/2024 meeting agenda.)*
9. Training Information
10. New Business (other than hazardous condition complaints)
11. Schedule for 2025 Meetings
12. Annual Walk-Thru
13. Adjournment
