Board of Fire Commissioners
REGULAR MONTHLY MEETING MINUTES
Monday, March 10, 2025 at 7:00 p.m.

Held at the firehouse and via Zoom - Meeting I.D. 844 5502 7974

Present: Commissioners Kleckowski, Giuliano, Pessina (via Zoom), Thazhampallath (arrived at 7:03 p.m.), and Gregorio; Chief Trzaski, Deputy Chief Fischer; fire department members, and one member of the public.

1. CALL TO ORDER

Chairwoman Kleckowski called the meeting to order at 7:00 p.m.

2. PLEDGE OF ALLEGIANCE was recited.

3. ACCEPT/AMEND AGENDA

MOTION to amend the agenda to move *Item 12 d) By-Laws Committee, Item 14 Executive Session, and Item 10 Independent Auditor's Report* immediately following *Close Public Session* by Comm. Giuliano/Comm. Pessina. Unanimously approved.

4. SWEAR IN FATHER RUSSELL F. KENNEDY AS DEPARTMENT CHAPLAIN

Chairwoman Kleckowski administered the Oath of Office to Father Kennedy.

5. OPEN PUBLIC SESSION – ITEMS ON THE AGENDA

Chairwoman Kleckowski opened the public session at 7:05 p.m.

Dan Penney

Mr. Penney is disappointed that it took more than eight months for the auditor's report to be completed, and that copies of the report were not available prior to the meeting. He suggested having publicly advertised bids for such services. He commended the excellent service of the By-Laws Committee but was concerned about recommended changes made to voting rights and commissioner qualifications. Mr. Penney asked for an update on the Collective Bargaining Agreement negotiations. He asked questions about items on the Monthly Expense Detail report, including the \$15,900 credit to CNR – Staff Vehicle and recommended having policies and procedures pertaining to the commission's approval for expenditures over a certain amount (\$1,500 - \$2,000).

6. CLOSE PUBLIC SESSION Chairwoman Kleckowski closed the public session at 7:11 p.m.

7. BY-LAWS COMMITTEE

Commissioner Giuliano thanked the members of the committee, and Attorney Carella who "steered the ship." The committee thoroughly reviewed the current by-laws and cleaned up a lot of what was confusing and hard to navigate. One of the main issues that came up was the language regarding district voting and Connecticut General Statutes. Attorney Carella confirmed that the revisions made are legitimate as the district is not required to follow state election laws. A copy of the current by-laws, the proposed by-laws, and a red-line copy will be distributed to the commissioners for review. This item will remain on the agenda for future commission meetings.

8. EXECUTIVE SESSION

MOTION to go into executive session at 7:21 p.m. pursuant to statutes section 1-200(6)(B) and section 1-225(a) of the Connecticut General Statutes, as amended, to review information regarding contract negotiations by Comm. Gregorio/Comm. Pessina. Unanimously approved. In attendance were Commissioners Kleckowski, Giuliano, Thazhampallath, Pessina, and Gregorio, Chief Trzaski, Deputy Chief Fischer, and Matthew Sicilia, VP and Consulting Actuary of TPS Group.

MOTION to end executive session by Comm. Giuliano/Comm. Gregorio. Unanimously approved. No action was taken. The meeting was called back to order at 8:10 p.m.

9. INDEPENDENT AUDITOR'S REPORT AS OF JUNE 30, 2024 – CHARLES T. COSTELLO, COSTELLO COMPANY, LLC

a. Review of Independent Auditor's Report

Mr. Costello gave an overview of the draft Independent Auditor's Report/Financial Statements as of June 30, 2024. Chairwoman Kleckowski specified that she wanted to document and make part of the official record that \$710,644 from the Tiered Payment in Lieu of Taxes (PILOT) has been earmarked for the current building renovation project.

b. Acceptance of the independent auditor's report as of June 30, 2024

c. Authorize Costello Company, LLC to file the Independent Auditor's Report/Financial Statements as of June 30, 2024 with the State of Connecticut/Office of Policy and Management in accordance with the Connecticut General Statutes

MOTION to accept the Independent Auditor's Report as of June 30, 2024, as presented, and to authorize Costello Company, LLC to file the Independent Auditor's Report/Financial Statements as of June 30, 2024 with the State of Connecticut/Office of Policy and Management in accordance with the Connecticut General Statutes by Comm. 13. ADMINISTRATIVE REPORTS – FEBRUARY 2025

Chief Trzaski and Deputy Chief Fischer gave an overview of the administrative reports. The chief highlighted the department's presence at the Kleen Energy 15-year anniversary remembrance ceremony, his regular attendance at the Middlesex Chamber of Commerce meetings, and visits to the Capitol to attend sessions

related to initiatives affecting the fire service. The department hosted the Middlesex County Fire Chiefs Association meeting and the CT Fire Chiefs Association meeting.

Deputy Chief Fischer advised that the new HASS alert transmitters have been installed in E32 and E30. There will be a citywide active violence drill on April 15th and 16th. Middletown Fire, Westfield Fire, the Police Department, and a slew of other public agencies will be involved. The drill might be the biggest joint public safety drill in city history.

Chief Trzaski talked about South Fire's improved ISO rating of 2, from a 4. Only about 1,500 fire departments in the nation have a score of 2 or below. A better ISO rating *generally* means lower insurance premiums. The information is on our website and was sent to people enrolled in Community Connect. He also spoke of the audit and feels fortunate to be a sitting fire chief that has a wide array of people he works with, from the probationary firefighters, to the officers and training officer, the deputy chief, and the administrative staff who go above and beyond every day to save the district money.

14. COMMISSIONER REPORTS

a. Building Committee: Commissioner Thazhampallath

Commissioner Thazhampallath gave an update on the building renovation project. Everything is going well, mid-April phase one (kitchen area).

d. Riverfront Redevelopment Update: Commissioner Pessina

Commissioner Pessina advised there was nothing new to report.

15. OLD BUSINESS

Chairwoman Kleckowski updated the commission on the former CL&P service center on Randolph Road. Progress is being made on the complex with will include indoor/outdoor soccer fields, a brewery, and office space, and more. She met with staff from the physical therapy facility, Carlson Procare. They are looking forward to developing a relationship with the South Fire District. The facility accepts South Fire District health insurance. Commissioner Kleckowski believes the new complex is an excellent stimulus for the district.

Commissioner Pessina said that there might be an expansion of the Seasons Federal Credit Union where the former Midstate Tractor & Equipment was on South Main Street.

Commissioner Pessina departed the meeting at 9:09 p.m.

16. NEW BUSINESS

a. Set Dates/Times for Budget Workshops

Memorandum

To: Board of Fire Commissioners
Date: 03/18/2025
From: Lee Matterazzo, Tax Collector
Subject: Negative Balance Purge

In an internal audit, the histories on the accounts in the tax system were researched which carried a negative balance. Under normal circumstances, as overpayments are received, the account is flagged as overpaid and then researched and ultimately zeroed out upon receipt of the signed refund form from the taxpayer. Per State Statute 12-129, refund applications shall be made not later than three years from the date such tax was due, therefore in order to update the history of the records covered by the Grand Lists of 2008 - 2020, we would like to purge these accounts from the system and close these records. Since this money was originally posted to tax revenue it will remain as collected monies. The total amount to be purged is \$3,497.07.

I respectfully request this action be accepted and approved.

Chief James Trzaski,

Please see the attached Fire Marshal activity report for the month of March 2025.

The FMO met with a DEEP Forestry Division dry hydrant expert to assess rural water supply in our hydrantless portions of the district. We are now working on appropriate permissions from property owners as well as environmental consultation from the Department of Land Use.

The FMO continued to develop the Beman "Fire Service as a STEAM Career" curriculum. Approximately 330 8th grade students will be learning about how the fire service uses math and science etc. as an integral part of our operations. After lessons in class, they will visit the fire house to see aerial operation geometry, engine operation hydraulics, rescue operations mechanical advantage and fire behavior concepts. The state FEIU arson dogs are also scheduled to make an appearance.

The FMO coordinated a multi-city effort to assist the State Fire Marshal in her Public Safety Announcement campaign. Several fire marshals will meet in April to record pre-scripted messages about electrical safety. The final product will be available for public use on various social media platforms.

The FMO continues to monitor and address changes to the First Due software. The FMO has been actively involved in data entry and module development which assists responding crews in their pre planning. Recent software updates have presented a significant roadblock to the accessibility of this information. We are working directly with the company to address our concerns and are also a part of a newly formed state level First Due User group.

Please feel free to contact the FMO with any questions regarding the supporting documentation for Activity, Inspections, and Investigations.

Sincerely,

James Mastroianni
Fire Marshal
