

NO PUBLIC ACCESS

In an effort to protect our staff and the public, we have temporarily closed our tax office.

You may reach the tax office by calling 860-343-8011 or emailing taxes@southfiredistrict.com.

You may also look up your bills and pay on-line using a debit or credit card at southfiredistrict.com. Just follow the instructions online.

Please note: a convenience fee will apply.

In order to process your payment, Point & Pay (the credit card service provider) charges a nominal convenience fee based on the amount of the transaction when paying by credit or debit card of 2.5% (minimum fee \$2.00), or a flat fee when paying by VISA debit card of \$3.95.

For taxpayers unable or do not want to pay online, please use our drop-box located at the door of the tax office. If you require an immediate DMV release, payment must be in the form of a money order. All other payments may be in the form of a check. **DO NOT PLACE CASH IN THE DROP-BOX.**

Any DMV releases will be processed when the office reopens.
