

South Fire District of the City of Middletown

In order to protect the health and safety of our employees and the general public, all South Fire District Board of Commissioners previously scheduled meetings, including Budget Workshops and the Special Election, are cancelled through the end of March.

Additionally, the South Fire District building is temporarily closed to the public until further notice.

We will continue to closely monitor the Coronavirus outbreak and observe Governor Lamont's Executive Orders. This subject will be revisited at the end of March at which time we will provide an update of any decisions made.

Feel free to call 860-347-6661 with any questions or concerns you may have.
